Sri Visvarupa Takes Sannyasa

**Visvarupa leaves home**

- ॐ Visvarupa would spend all day at Advaita's house discussing SB
- ॐ Nimai would go & get for lunch "Mata has made lunch now"
- ॐ Advaita & others would marvel at this cute little boy.
- ॐ JM & Saci wanted to keep VR home
- ॐ Therefore, they thought to get him married.
- ॐ VR caught wind and in the middle of the night left home to take sannyasa
- ॐ (took name Sankaranya of Sankara sampradaya)
- ॐ (left in 1511 and merged into Viththalanatha in Pandarpura)
- ॐ JM, Saci, & Nimai were all weeping in separation (although in a spiritual sense this is a good thing)
- ॐ Friends consoled saying this is a good thing...

**Nimai began to seriously study sastra after VR left and stopped playing games**

- ॐ JM worries: Sastra explains that the whole world is an illusion... N might follow VR's footsteps
- ॐ Saci: yes, but if he's uneducated, who will marry their daughter to him?
- ॐ JM: nonsense, he's the son of a well respect brahmana
- ॐ Saci: but how will he maintain himself?
- ॐ JM: knowledge of sastra has no bearing on wealth. This is all pre-determined, due to will of Lord. Look at me. I am learned, but poor. N will always have what he needs according to his chart
- ॐ JM: N, you will no longer study

**Nimai begins a rampage of mischief**

- ॐ N was upset that he wasn't allowed to study, therefore began mischief
- ॐ N & friends dress up in a costume of a bull and rampage through the banana plantations
- ॐ N & friends tie all doors and windows to houses at night from the outside so can't get out (privy is on the outside).

**Nimai & the broken pots**

- ॐ N climbs on top of pile of use pots & becomes soiled.
- ॐ Saci tells N to come down, they are dirty
- ॐ N: "But these pots were used for Visnu. Everything used for Visnu is pure. How do you expect me to know this? You won't let me study. I won't be able to tell right from wrong..."

Chaitanya Bhagavata – Adi Lila 7  
Sri Visvarupa Takes Sannyasa

- ॐ All townspeople agreed w/ N. “What kind of parent are you? We have children who hate to study...”
- ॐ Townspeople to JM: everything happens by will of K, so he will take sannyasa anyhow
- ॐ So JM relented
