## Notes

- I got email id of maharaja and I thought I will mail my message to maharaja after sometime and then after that I got the departure news of maharaja then I thought that may be maharaja can able know me or maharaja may know my name. but it was not happened.
- One time maharaja came into my dream that he was giving lecture and I was sitting next to his vyasasana and one someone offered garland to maharaja then maharaja so lovingly saw me and then he gave that garland with love and affection. And that the whole 5 sec maharaja was constantly seeing me. And I was thinking that maharaja is so kind and lovable.
- Maharaja came in my dream to tell me that don't be upset that I am not upset on you
- Bhakti Charu Maharaja is so loving that he cannot able to see someone in the misery.
- One time maharaja was in jahnvi mataji's home that time we were sitting outside and jahnvi mataji and other devotees with maharaja were inside that time one devotee called us and said why you are sitting outside, come inside. So we went inside and I seen that how maharaja reciprocated lovingly and affectionately every single tiny things which has been served to him. And maharaja was complementing to devotees to every single details.
- Maharaja was making each and every devotee involved in His dealings.
- One time maharaja had personally made chinese noodles for us and when we children were eating that noodles maharaja was seeing and smiling towards children.
- Those who are cooking for maharaja, bhakti charu maharaja always appreciate it.
- Everyone get attracted to maharaja and devotees tries to connect with maharaja.
- Maharaja never differentiates anyone. He always remember tiny tiny things about devotees dealt with devotees, every devotees was able to connect with maharaja
- Just like krsna attracts everyone, similarly, pure devotees also attracts us.
- Bhakti charu maharaj also candid examples that he attracts to devotees.
- Just like pure devotee has krsna in their life. So they can able to give krsna to others. Similarly, we have mercy and blessings of our spiritual master and please teach me how to do service to devotees so that I serve spiritual

master.

Thank you very much  
Hare Krishna
