- Devotee is the person who loves to follows the footsteps of previous acharyas and therefore we must aspire and follow their path and in life also they teach us how to perform PDS and that can able to attract our lord and then if we have this understandings then progressive path in PDS then we will be happy
- If someone is appearing during this noon time how come there is darkness? If lord is appeared with effulgent then darkness of prajapati kashyap
- Darkness of kashyap muni should vanquished
- As soon as vamana dev appeared then He as soon as goes in the place of bali maharaja's sacrifice place. And after seeing attractive brahmana boy, bali maharaja immediately offers his obeisances unto vamanadev
- As soon as vamana dev comes, he abhishek'ed Him and offers His seat
- And seeing the beauty of the Lord, everyone assembled in the place of sacrifice area everyone got attracted.
- Water immanates the lord's lotus feet, lord shiva holds that in the shiva's head and

- By hearing words from our speech from bali maharaja, that vamana dev

feels happy

- In the dynasty of bali maharaja, opposite happened in the dynasty of bali maharaja

- Even if we might achieve success we can become more miserable and so must be very much careful with senior devotees.
- When lord varaha dev appeared and how you desponded with Him that's decide your future.
- Lord could pearced the mouth of enemy , but why lord varaha dev tolerated and accepted abusive word? Because to build satisfaction and pleasure of the devotees and in order to protect to devotees He always tolerate the abusive words from athest
- Paritranya sadhunam - the athestic people keeps troubling the devotee of the lord and lord accepts all abusive words just for the pleasure of the devotees.
- Lord even accept bad words for him. Otherwise no one can insult lord. He can kill anyone but Lord tolerates ill words because to show demigods that you no need to be fearful while dealing with demon tendency. Similarly, We should not be fearful in practicing PDS
- Lord varaha fought with hiranyaksha and killed him and just by flapping under the ear varhadev killed hiranyaksha
- Just see the reciprocation and consciousness and attitude matters a lot
